

## Intermediate methods in pharmacoepidemiology 2022

The Danish Society of Pharmacoepidemiology invites to a one-day course aimed at doctoral students and other researchers with basic knowledge on pharmacoepidemiology, who want to gain further skills in designing and conducting pharmacoepidemiological studies.

**Date:** October 4, 2022, from 10:00 – 16:00

**Place:** Department of Clinical Epidemiology, Aarhus University Hospital, Olof Palmes Allé 43-45, 8200 Aarhus N. Online participation is possible, but we encourage in-person attendance for full benefit.

**Registration:** Via email to [info@dsfe.dk](mailto:info@dsfe.dk). Maximum 30 participants on-site. Unlimited online participation. Deadline for registration: September 28.

**Registration fee:** 0 DKK for DSFE members and students, 1000 DKK for non-members.

**Course responsible:** Mikkel Højlund ([mhoejlund@health.sdu.dk](mailto:mhoejlund@health.sdu.dk))
